High performance boats have a high power-to-weight ratio. If you are not experienced in the operation of a high performance boat, do not attempt to operate one at, or near, its top speed until you have gained that experience. For more information, see your Evinrude/ Johnson Dealer for a copy of Introduction to High Performance Boating, P/N 335763.

## **Guide**

The 2007 Johnson line includes just the 25-, 15- and 9.9-hp four-strokes and the 9.9/15 two-strokes. But a memo from BRP shown me by a dealer last week indicates the BRP inventory of the 25-hp four-strokes and all but a few of the two-strokes are gone, and that fewer than 100 examples of most of the rest of line remain in the BRP warehouse.
