A History Of Modern Yemen

The modern history of Yemen began with the withdrawal of the Ottoman Empire. In 1839 the British set up a protective area around the southern port of Aden and in 1918 the northern Kingdom of Yemen gained independence from the Ottoman Empire. North Yemen became a republic in 1962, but it was not until 1967 that the British Empire withdrew from what became South Yemen. In 1970, the southern government adopted a communist governmental system. The two countries were formally united as the Republic o

Book Description. Yemen's modern history is unique and deserves to be better understood. While the borders of most Middle East states were defined by colonial powers after the collapse of the Ottoman Empire, a single Yemeni state was not formed until 1990. In fact, much of Yemen's twentieth-century history was taken up constructing such a state, forged after years of civil war.
