Cory Fawcett, MD- "The Doctor's Guide to Thriving in Locum ...

One of the most important parts of any physician job search comes right at the end — when it's time to negotiate the physician contract. However, it's the part that many physicians are the least comfortable with. Once you receive an attractive offer, you may be tempted to just accept it, sign a contract, and get to work.

Failure to Thrive: A Practical Guide - American Family ...

Thriving as an independent medical practice. The industry's shift to value-based care, coupled with an emphasis on efficiencies, has made it difficult for smaller practices to succeed alone. As a result, internal medicine and other primary care practices have joined forces in a range of practice models to maintain autonomy.
