exam covers material that's usually taught in a one-semester college course in algebra.

Nearly half the test is made up of routine problems requiring basic algebraic skills; the remainder involves solving nonroutine problems in which test takers must demonstrate their understanding of concepts.

College Algebra

**Exam - CLEP - The
College Board**

Exam Description:

Algebra is a division of mathematics designed to help solve certain types of problems quicker and easier.

Algebra is based on the concept of unknown values called variables, unlike arithmetic which is based entirely on known number values.
