In Dovetailed RaShelle Workman ameliorated the mistakes in Beguiled and even made up for that, however, this book is not even close to how good Exiled is. If she kept up Exiled's standard in both Beguiled and Dovetailed, Immortal Essence would have been a masterpiece. She could have done so so so much better- she has it in her.

'Exiled' ist der erste Band der Immortal Essence Reihe von der Autorin RaShelle Workman. Bisher ist der Roman nur als englisches ebook erhältlich. Bei der Reihe handelt es sich um eine rasante Mischung aus SciFi und Fantasy im Jugendbereich. Die weibliche Protagonistin Venus war mir den ganzen Roman durchweg recht sympathisch.
