One example is Chain and Bead Jewelry : Geometric Connections. Scott takes what are the easier weaves - especially the Byzantine - and transforms them into elegant pieces with beads. I love how he strung on beads while weaving these in and out of the chain mail work. Also admirable is how he uses short sections of Byzantine to form his designs.

Handcrafting Chain and Bead Jewelry shows how to create beautiful, dimensional silver, copper, and brass chains using simple tools. The main style is based on the elegant, classical Byzantine pattern, and uses the Golden Ratio to determine the circumference of a chain's interlocking rings based on the thickness of the wire.
