Society: An Introduction to ...**

This best-selling text emphasizes why social and cultural changes are the pervasive realities of our time. A key theme of Contemporary Society is that the transition from an industrial to a post-industrial order in today's world is fraught with difficulties, as was the transition from an agricultural to an industrial order in an earlier era. Within this framework, we can observe the increasing fragmentation of the social order today, which tends to lead people away from community and a ...

Introduction Human societies consist of individuals and groups of individuals with different needs, interests, and aspirations. Furthermore, different individuals are endowed with different qualities. For instance, some are physically stronger than others while others are intellectually well endowed than others.
