Im out of surgery and feeling much better today! HURRAY! Yesterday after the surgery was absolute HELL for me so im glad to wake up this morning with much less pain. Anyway my question is, Did anyone wake up from the surgery with an irritated Uvula (not sure im spelling it right) its that hanging...

Damaged Uvula after surgery? - Post-Op Vertical Sleeve

...

A uvulectomy is a surgical procedure in which all or part of the uvula is removed. The uvula is a bell-shaped organ that hangs from the top of the throat. There are a few different reasons a uvulectomy is performed including some rituals, but most are controversial.

Indications for a Uvulectomy Procedure

Swollen uvula after tonsillectomy- anything affecting the tonsils may affect the uvula as well. Uvulitis - infection in the uvula - viral or bacterial (strep throat, which is due to Streptococcus pyogenes, a type of group A Streptococcus.) Dry mouth- the uvula and the back of the throat must remain moist or will be to get irritated.

Swollen Uvula - Causes, Pictures, Remedies and Treatment ...

An elongated uvula can flop down and touch various structures in the upper airway including the posterior pharyngeal wall, epiglottis, and vocal cords. Irritation of these structures can lead to chronic cough. There are case reports of the uvula causing apnoea due to irritation of the epiglottis or vocal cords.

Long uvula: an unusual cause of chronic cough ...

Thank you for your question. From your photo and history, it is almost certain that the breathing tube (endotracheal tube) used during your surgery was pressing on the tip of your uvula and this lead to a pressure sore (ulcer). The uvula and entire back of the throat are exquisitely sensitive (this is why tonsillectomy is a miserable recovery), so the pain/discomfort is usually out ...

Infected Uvula post-surgery? (Photo) - RealSelf.com

BLM Manuals. The Bureau of Land Management manuals contain policy and procedures to manage programs. BLM manuals define the basic authority for performing tasks and identify who bears the ultimate responsibility for seeing that these tasks are accomplished.
