NorthStar is a five-level integrated skills series for language learning. The series is divided into two strands: listening/speaking and reading/writing. There are five books in each strand, taking students from the high beginning to advanced levels. The two strands at each level explore different aspects of the same contemporary themes.

NorthStar - Pearson English

Get ready for academic study and the workplace of tomorrow. NorthStar builds language skills while developing the 21st century skills students need and exploring a topic in depth. Activities are well scaffolded and support students to become critical thinkers and build the real world spoken language and writing skills necessary to survive in higher-level academic courses.

Northstar 5th Edition - Pearson

Writing sections integrate the unit's concepts, vocabulary, and grammar, leading students through the writing process. Students learn revising techniques that help them move toward coherence and unity in their writing. Group projects inspire students to inquire further and prepare students to engage in real-world activities.

Northstar - Pearson

NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis.
