novel from Cat Patrick. Although I hate to compare books and authors my reaction to this book was the same as when I read Delirium after Before I Fall. As a reader, I think there is a style of writing you love more than others ma I wasn't expecting the emotional aspect of death & bereavement captured in this book.

Revived by Cat Patrick will be a nice addition to a high school classroom library. The book focuses on a secret government program and the unintended consequences of never dying, of always being revived. I model reading whenever I can at school. For instance, I'll stand in the hall and read a book during passing periods.
