Hit & Miss engine with a special cream separator

1913 Model K Stover - YouTube

Stover. STOVER. Model'KA', 2&3HP. These engines were open crankcase, hit & miss or throttle governed, Wico "EK" magneto, and had solid flywheels with five round holes. Although some of these parts may interchange with some other 'K' models DO NOT use this list for the 1-1/2HP model with the fuel tank bolted on to the carb with four screws. We have parts for the 2 & 3HP but "pickins are slim" for the 1-1/2HP and older style Stovers.

Stover - Hit N Miss Enterprises Antique Gas Engines and Parts

Hi folks, I have Stover model k. 1 1/2 hp. My question is, is this the correct flat belt pulley for this engine? There is no notch in the pulley where you would slide in a key, then lock it down with the set screw. You can see on the crankshaft where it was just run down tight to keep the...

Stover Model K Pulley Question | Smokstak® Antique Engine ...

Where is the serial number site for stover, (V126123)? The tag reads 2hp and 500 rpm. I'd post a picture, but this old farmer isn't that smart yet. It looks like the k model that wendel pictures but the gas tank is in the base. The numerous k models (ka ke etc. are a bit confusing as I am not familiar with the stover line.
