The Elementals Francesca Lia Block

Bookmark. "The late great Diana Wynne Jones would approve of Lia Block's The Elementals, a hypnotic account of a girl's first years in college following the disappearance of her best friend on a school trip and the diagnosis of her mother's cancer. As a portrait of a troubled and impressionable girl, Ariel Silverman shimmers in the very air between page and eyelashes.

The Elementals Quotes by Francesca Lia Block

Francesca Lia Block is a magical creature. With over 30 books to her name, she has the ability to conjure stories like a medium conjures spirits. Starting with her first book Weetzie Bat, which Block wrote while a student at UC Berkeley, she came forward as a breaker of social boundaries, writing about the Mohawk-and-torn-lace teen experience.
