The Luck Factor by Brian Tracy - Goodreads

A decade ago, I set out to investigate luck. I wanted to examine the impact on people's lives of chance opportunities, lucky breaks and being in the right place at the right time.

Be lucky - it's an easy skill to learn

Lucky people create, notice and act upon the chance opportunities in their lives. The way lucky people think and behave makes them far more likely than others to create, notice, and act upon chance opportunities in their lives. People who tend to think and behave in the same way are said to have the same personality.
